

E-TBT_e TOTAL BODY TRAINER

- Revolutionary embedded 15" HD touch screen aligns each user's workout with their entry goals and intuitive programs, like Total Body Workout, which provides a variety in resistance and upper body positions.
- Integrated iPod® connectivity with music, video and USB charging station allows users to display personal content while charging media devices.
- SelectFit® provides the unique benefit of either pulling or pushing upper body motion for a total body workout, or disengaging the arms for a targeted lower body workout.
- Star Trac's popular adjustable personal fans create a more rewarding workout.
- Efficient footprint and approachable, stable platform with minimal step-up height for easy access from all angles.
